## ProTEQ NEWS, History, Politics, Religion, and Opinion – EMAIL LIST

When you fill out a ProTEQ Range Release you are strongly encouraged to provide your email address. You seldom get any email from me and I DO NOT provide those addresses to anyone else, but I need your address in case there is an issue to resolve. **Most of you** are in this category...

You never see any emails from me!

Some of you have been placed on a **Special ProTEQ Email List** that I utilize for various notices...

Changes at ProTEQ concerning the Range, Improvements, Events, ect.  
Work Day Details or Hunting Events,  
History about Guns, the US, Hunting, Christianity, ect,  
Current NEWS,  
Politics, or  
Opinions

Those of you already ON the ProTEQ list understand that you can request to be removed or just DELETE the specific email you don't want to read. I understand your opinion and respect your right to have it. I will always honor your request to be removed for the list and will remove you ASAP.

This notice is to invite any who wish to JOIN THE GROUP and start receiving ProTEQ Emails.

IF you are interested email me...
