

SATURDAY - **April 5th**, 2014 10:00 PM

Today was Beautiful... with the Sun shining, warm, clear, light wind blowing, and the ground drying. It was a Magnificent Day for the Wild Bunch Cowboy Shoot, We had a GREAT Time on the C.A.R in Lemon Valley... and YOU would have had a GREAT DAY on the Main Range... **IF it had been open.**

Tommy Turd ruined your best yet - 2014 - day to be on the Range. His Range Raping of the C.A.R. violated YOU in the worst possible way. You totally **LOST** "Today at the Range" and can never get "Today" back.

Tommy Turd is the one and only cause of that injury. He stole your opportunity, squashed your fun, and eliminated your ProTEQ Privileges for ONE ENTIRE DAY

Tommy Turd the Vandal is a despicable person of low moral character, willing and able to walk onto private property and purposefully DESTROY it. He lacks any redeeming character, he offers NO RESPECT of others, and he is a CRIMINAL. WHY do you protect him, WHY do you hide him, WHY do suffer because of him, WHEN ALL IT TAKES to FIX THIS PROBLEM is his exposure.

Don't suffer another lost Saturday;

Don't waste another sunshiny day off;

Don't be soiled by a Tommy **Turd...FLUSH IT OUT.**

TURN HIM IN!
