

# YOU and the FOOLS

**YOU** have a responsibility and a vested interest in reporting people (FOOLS) who break the rules and abuse the property. **YOU** suffer when those irresponsible, disrespectful, mean spirited FOOLS perform ignorant acts upon the Property. **YOU** lose because of the FOOLS actions.

**Friday (3/20)** - I removed the steel plates and hangers from the MAIN RANGE because the FOOLS purposely.... Shot the hangers destroying the hinge, leaned the plates against supports causing ricochets, & proved they have NO concept of safety or respect. FOOLS have cost **YOU** the steel swinger plates. FOOLS owe you those plates back. When are **YOU** going to MAKE THE FOOLS PAY by reporting them to me?

Last **Sunday (3/15)** the FOOLS shot up the 25 yard target board and posts that were installed in January. **YOU** have suffered all week with a DESTROYED Target board and I'm saddled with fixing it. The FOOLS purposely destroyed it and others saw it happen. When are **YOU** going to MAKE THE FOOLS PAY by reporting them to me?

Yesterday **Saturday (3/21)** the FOOLS blew apart a brand new coroplast pistol target board and the 2x4 support holding it SIX (6) hours after I installed it. I put that target board in place at 8:10 AM and by 2:00 PM it was RUINED. The FOOLS shot it with a Shotgun at least EIGHT times, repeatedly damaging it, while easily seeing that it was happening just 7 yards in front of them. The FOOLS did not care. The FOOLS left with no concern for what they just did to the Property. When are **YOU** going to MAKE THE FOOLS PAY by reporting them to me?

What should **YOU** do?

MAKE THE FOOLS PAY

IDENTIFY the FOOLS and get that information to me ASAP. I need some or all of the following – NAME, DESCRIPTION, VEHICLE, LICENSE PLATE, DATE, TIME, DAMAGE... everything you can tell me about the FOOLS so I can identify them.

What I am I going to do?

Punish all of **YOU** repeatedly until enough of **YOU** grow a set and start reporting the FOOLS to me. The FOOLS need to go. I need to know who the FOOLS are and then ELIMIMATE the FOOLS, but I can't do that until **YOU** step up and report the FOOLS to me. I will deal with the FOOLS if **YOU** report them. I'll catch the FOOLS in the act and confiscate their property (guns, ammo, equipment, vehicle) and /or I'll have the FOOLS arrested for trespassing and vandalism, or I'll BAN the FOOLS from the property for LIFE, or I'll educated the FOOLS to get the FOOL out of them, but I can do NONE of that without **YOU** helping me.

# When are **YOU**?
